## PRINCIPAL'S DESK

THE ONLY DREAM IMPOSSIBLE  
TO ACHIEVE IS THE ONE YOU  
NEVER PERSUE....

**Albert Einstein rightly said that- Everybody is a genius. But if you judge a fish by its ability to climb a tree, it will live its whole life believing that it is stupid.**

**An institution like Ganga International School, Sawda gives an insight to one's thought and creativity through expressions. We believe that students, parents and teachers play a vital role in helping and nurturing the abilities of students to achieve their goals. I would say that every kid has a spark. I think it is necessary to turn that small curiosity into a brilliance that is useful for society.**

## YOUNG MINDS

. Haris Intiyaz Khan set a world record for being the youngest life portrait artist, completing the portrait in less than 30 minutes. Self-taught, he has been drawing since the age of three, but it was only when he turned seven that his mother, Huma, and father, Intiyaz Khan, realised his talent. His brush with stardom happened in 2007 when, during his seventh exhibition at Walking Plaza in Pune, he performed a feat in front of a large gathering. Using many mediums including pencil and charcoal, water colours and oil paints, Haris has held more than 15 exhibitions, live shows and auctions — all the while receiving good grades in school. He has received accolades in India and abroad.

# THEMATIC PARENTS' TEACHER INTERACTION

A joyful "Parents' Teacher Interaction" took place in primary, middle and senior section with different themes like sense organs, importance of family, healthy food Vs junk food, Sustainable Development Goals, etc. Students performed and spoke about their topics enthusiastically in front of parents. Students also explained about the 17 SDGs and also showed their enlightened and enthusiastic participation through various mediums. It was indeed a great way to inculcate knowledge and confidence in students. Parents were very happy and proud to see their ward performing.

# KINDERGARTEN ORIENTATION

An orientation for kindergarten parents was organized in Ganga International School, Sawda where parents were made aware about the curriculum and activities designed for the holistic development of students. Toddlers performed various skits to demonstrate their vocabulary and their talent. Resource person Ms. Dimple Sharma also talked about the successful alumni of GIS, Sawda and encouraged parents to nurture the talents of students even in co-curricular areas.

# MOTHER'S DAY

## Happy Mother's Day

Mother's Day celebration was organised in GIS, Sawda on 12th may in school premises. Students expressed their love and affection towards all the mothers by reciting a poem, performing a skit, through dance and handmade gifts. Senior students also wrote gratifying letters and poem to pay respect which every mother deserves. Mothers were invited by the primary department and they participated enthusiastically in fireless cooking competition and dance competition. A token of appreciation was given to the mothers who won and participated in competition. Mothers were really happy and overwhelmed by such a gesture.

**LEAVING THEIR SCHOOL FROM THE FRONT WITH THEIR COMMITMENT, COURAGE AND CONFIDENCE**

The ceremony was solemnized with the administration of the oath by the diverging parents/students. The main aim of the celebration was to honor the mothers as well as motherhood, maternal bonds and their influence in society. To be the occasion more interactive, the mothers of primary students were invited to school to grant the success lamp by principal Pritika Chakrabarti. It was followed by a fireless cooking competition and dance performance by the students of Ganga International School, Sawda, celebrating Mother's Day with all zeal.

The school organized various activities to honor the mothers who had been invited to the event.

**conducts event titled Extravaganza**

Mother's Day Extravaganza, an annual event titled Extravaganza on the theme 'Take it Home' directed by school director, the students of Classes 3 to 5 participated in various activities with great interest and help were energy as a leader. The ceremony was a significant and memorable occasion where the school infrastructure, staff and the staff of responsibility to the newly appointed school context. It was the culmination of one of the many years of a long-term project on excellent platform for the student council members to discharge the responsibilities entrusted upon them by the school. The young leaders were happy to see their director in the school.

The exhibition was inaugurated by head director Neena Williams.

The event aimed to empower students and encourage them to contribute towards creating a better and safer world through their creativity and innovation. The program began with an inauguration and a dance performance by the students of the school. The theme of the event was introduced through a skit performance.

Ganga International School, Sawda, celebrated Mother's Day with all zeal. # GANGA- ON TOP

**Tanu Maan** won first prize in Khelo India National Women's League Judo IGI Stadium, Delhi. She also participated in Khelo India Youth Games Panchkula, Haryana and won the first prize. She brought laurels to our school.

**Bhoomi** of class X won gold medal in South West District Taekwondo Championship.

# AUTISM WEEK

Students of GIS, Sawda presented a skit in the assembly to enlighten students about Autism. Autism was long described as a pervasive developmental disorder, meaning that it becomes apparent in early childhood and affects all aspects of a child's development. They showed how people with autism react and feel in their surroundings. Students also demonstrated the dos and don'ts among these people. It was an informative session and students took a lot of interest.

# NUKKAD NATAK COMPETITION

An INTER-HOUSE NUKKAD NATAK COMPETITION on the topic 'SAVE MOTHER EARTH' was organised for senior department in school premises by Mr. Vikas which was being judged by Ms. Jyoti, Ms. Dimple & Ms. Sandhya. Students participated with utmost zeal and showed a lot of confidence. They showed the reality of our mother Earth and explained how we can rectify it in the most humorous yet thought provoking way.

## कविता - मातृत्व वात्सल्य

प्यार करना कोई तुमसे सीखे  
प्यार कराना कोई तुमसे सीखे  
तुम ममता की मूरत ही नहीं,  
सब के दिल का एक टुकड़ा हो  
मैं कहती, कहता हूँ माँ, तुम हमेशा ऐसे ही रहना  
...!!

माँ से रिश्ता ऐसा बनाया जाए, जिसको निगाहों  
में बिठाया जाए,  
रहे उसका मेरा रिश्ता कुछ ऐसा  
वो अगर उदास हो तो हमसे भी मुस्कुराया ना  
जाए.!!

सारे जहां में नहीं मिलता  
बेशुमार इतना,  
सुकून मिलता है  
मां के प्यार में जितना  
बेहद मीठा कोमल होता है,  
मां के प्यार से ज्यादा  
कुछ नहीं अनमोल होता है

## कहानी - किसी को जज ना करे

एक 25 साल की लड़की अपने पिता जी के साथ ट्रेन में सफर कर रही थी। खिड़की से बाहर देखते हुए उसने जोर से चिल्लाया पिता जी देखो ये पेड़ पीछे जा रहे है। पिता जी मुस्कुरा दिए। पास में बैठे लोगो ने देखा लड़की इतनी बड़ी है और इसका व्यवहार बच्चो के जैसा है। शायद ये लड़की मानसिक रूप से कमजोर है।

तभी वो लड़की फिर चिल्लाई और बोली पिता जी देखो ये बादल हमारे साथ दौड़ रहे है। तभी पास बैठे लोगो में से एक ने लड़की के पिता जी से कहा। माफ़ करिये पर आप अपनी लड़की का इलाज किसी अच्छे डॉक्टर से क्यों नहीं कराते ?

लड़की के पिता मुस्कुराये और बोले। हॉ मैंने अपने बेटी का इलाज करवा लिया है और अभी हम लोग हॉस्पिटल से आ रहे है। मेरी बेटी जन्म से ही अंधी थी। हॉस्पिटल में उसके इलाज के बाद आज ही उसने ये दुनिया देखना चालू किया है।

कहानी से सीख : कभी भी किसी के बारे में जानने से पहले उसे जज ना करे, सच कुछ भी हो सकता है।

# SCIENTIFIC REVELATIONS

All toads secrete toxins from their skin. These secretions, whose specific compounds vary from species to species, probably evolved as a way to keep a toad's body moist.

But the **Sonoran Desert toad**, also known as the Colorado River toad, appears to have taken evolution one step further. The toad, one of the largest in North America, secretes an enzyme that converts bufotenine, a compound also made by other toads, into 5-MeO-DMT, a powerful hallucinogen related to the psychedelic drug DMT.

A frightened Sonoran Desert toad gushes its toxic mix, which includes 5-MeO-DMT, from its parotoid glands — located behind each eye — and from glands on its legs. It's a way to say, "Please don't eat me! I don't taste good!" When swallowed in large quantities by a potential predator, the toxins can cause coma, cardiac arrest and even death.

# READER'S DIGEST

  **RIDDLE**

I HAVE A HEAD LIKE  
A CAT. I HAVE FEET  
LIKE AT CAT. BUT I  
AM NOT A CAT.  
WHAT AM I?

What has thirteen hearts,  
but no other organs?

**?**

$$\begin{array}{r} \square + \square = 8 \\ + \quad + \\ \square - \square = 6 \\ \hline 13 \quad 8 \end{array}$$

**RIDDLE**

When my father was 31 I  
was 8.  
Now he is twice as old as  
me.  
How old am I?
