Principal's Desk

As we step into the month of March, we find ourselves at the crossroads of reflection and anticipation. This academic session has been a journey of learning, growth, and countless achievements. I have seen each one of you put in tremendous effort, overcome challenges, and emerge stronger. Whether it was excelling in academics, shining in extracurricular activities, or simply growing into more responsible individuals, every step you took was a step forward.

As we gear up for a fresh start in April, I urge you to embrace the new session with enthusiasm and a mindset of continuous improvement. Set new goals, explore new opportunities, and, most importantly, believe in yourself. The journey ahead is full of possibilities, and I am confident that each one of you will make the most of it.

Wishing you all an amazing year, looking forward to another incredible year together!

A Visit to the World of Science

Ganga International School, Sawda, in collaboration with the Hindustan Times Group, organized an enriching educational excursion to the National Science Centre for students from Classes IV to XII. The visit aimed to spark curiosity and deepen scientific understanding through interactive exhibits, hands-on experiments, and engaging demonstrations. Students explored various galleries on space, robotics, human biology, and innovation, making learning both fun and experiential. The excursion provided a valuable opportunity for students to connect theoretical knowledge with real-world applications, inspiring them to think critically and creatively about science and technology.

EDUCATIONAL

excursion

Ganga International School, Sawda, in collaboration with Hindustan Times Newspapers, organized an educational excursion for primary students from Classes I to III to the National War Memorial and India Gate. The trip aimed to instill patriotism and historical awareness among young learners. At the National War Memorial, students observed the names of brave soldiers who sacrificed their lives for the nation and learned about India's rich military history. They also visited India Gate, where they paid tribute to the martyrs and enjoyed the scenic surroundings. The excursion was both informative and engaging, leaving the children with a sense of pride and curiosity about India's heritage.

Artists' Corner

The students of Ganga International School, Sawda, showcased their creativity and artistic talents through a vibrant display of artwork. From intricate sketches to colorful paintings, their work reflected imagination, skill, and a deep appreciation for various art forms. Using different techniques and materials, they expressed themes ranging from nature and culture to abstract ideas, demonstrating their artistic growth. The artwork not only highlighted their creative potential but also added a lively touch to the school environment, inspiring both peers and teachers.

GANGA INTERNATIONAL SCHOOL, SAWDA:

A LEGACY OF EXCELLENCE AND ACHIEVEMENT

Ganga International School, Sawda, has consistently upheld its reputation for excellence in education, shaping young minds with knowledge, discipline, and innovation. The highlight of the 2024-25 academic year was the school's remarkable achievement in winning the Global School Award 2024-25, a prestigious honor that recognizes its unwavering commitment to academic brilliance and holistic development. This achievement is a testament to the school's dedication to fostering a learning environment where students excel not only in academics but also in sports, arts, and various co-curricular activities. Through innovative teaching methods, state-of-the-art facilities, and a student-centric approach, the school ensures that every child reaches their full potential. Winning this award further strengthens the institution's resolve to continue shaping future leaders, thinkers, and achievers, reaffirming its mission to provide an education that goes beyond textbooks and nurtures well-rounded individuals.

SHAPING *Future Champions*

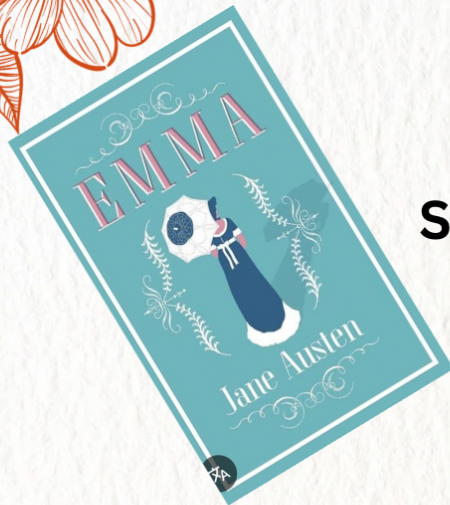

At Ganga International School, Sawda, we are committed to creating future-ready all-rounders—students who excel in academics, sports, innovation, and leadership. Education here goes beyond textbooks; we focus on critical thinking, emotional intelligence, and real-world problem-solving to ensure every child thrives in an evolving world.

As we step into 2025, we are introducing cutting-edge initiatives like AI-driven personalized learning, leadership incubators, and experiential career programs to equip students with future skills and an entrepreneurial mindset. Our STEAM-integrated curriculum, social-emotional learning, and global exposure ensure they are not just prepared but ready to lead.

2025 is the year of breakthroughs. Our students won't just participate; they will dominate. They won't just follow; they will lead. With passionate educators, world-class learning, and a relentless pursuit of excellence, Ganga International School is committed to ensuring every child emerges a winner for life!
