Principal's Desk

As we step into the vibrant month of April, I extend my heartfelt blessings and warm wishes to all of you for a successful and fulfilling new academic session. A new session brings with it a fresh start, new goals, and countless opportunities to learn, grow, and shine. Let us embrace it with positivity, determination, and a spirit of curiosity.

To all our students—this is your time to dream big, work hard, and make the most of every moment in and out of the classroom. Remember, success is not just about achieving high scores, but about becoming responsible, kind, and confident individuals. Stay disciplined, respect your teachers, support your peers, and most importantly, believe in yourself.

Together, let's make this session one of joyful learning, meaningful achievements, and beautiful memories.

Shine With Your Words

Ganga International School, Sawda, organized a delightful and enriching activity titled Shine with Your Words for the students of the Primary Wing, beautifully blending language learning with creativity through art integration. In this thoughtful session, each child selected an adjective that best described themselves—such as “brave,” “cheerful,” or “curious”—and brought it to life by designing personalized bookmarks and vibrant magic wands adorned with their chosen word. The activity encouraged self-introspection, allowing children to reflect on their unique qualities and express their inner strengths with pride. By combining artistic expression with language, the students not only expanded their vocabulary and linguistic skills but also developed a deeper understanding of themselves, fostering both confidence and emotional intelligence in a joyful, hands-on environment.

THRIVING HEALTH AND VITALITY *Workshop*

The Thriving Health and Vitality Workshop held at Ganga International School, Sawda, was a vibrant and engaging event aimed at promoting holistic well-being among students and staff. The workshop offered a range of interactive sessions covering essential aspects of a healthy lifestyle, including balanced nutrition, physical fitness, mental wellness, and stress management techniques.

Participants took part in yoga exercises, mindfulness activities, and informative discussions that emphasized the importance of maintaining both physical and mental health in today's fast-paced world. The event created a positive and energetic atmosphere, encouraging attendees to adopt healthier habits in their daily lives. The workshop was smoothly coordinated by Ms. Nikita, whose efforts ensured the program was both enriching and impactful for all.

WELCOME *Ceremony*

Ganga International School, Sawda, warmly welcomed its youngest learners with a delightful Welcome Ceremony for the Nursery Wing, creating a cheerful and vibrant atmosphere that truly marked a memorable beginning. The school was beautifully decorated with bright and colourful elements, adding charm to every corner and making the little ones feel special from the moment they arrived. Each child was greeted with a radiant smile and given a beautiful, brightly coloured headband, which they wore proudly throughout the day. The joy and excitement on their faces reflected how much they loved their very first day at school, stepping into this new chapter with wonder and enthusiasm.

नैतिकता का महत्व

गंगा इंटरनेशनल स्कूल, सावदा में वरिष्ठ कक्षाओं के लिए “नैतिकता का महत्व” विषय पर एक प्रभावशाली कार्यशाला का आयोजन किया गया। इस कार्यशाला का मुख्य उद्देश्य विद्यार्थियों में नैतिक मूल्यों की समझ विकसित करना और उन्हें अपने व्यवहार में अपनाने के लिए प्रेरित करना था।

बदलते सामाजिक परिवेश और भौतिकवाद के प्रभाव के कारण नैतिकता का महत्व भले ही कुछ हद तक कम होता प्रतीत होता है, परंतु इसके मूल तत्व आज भी हमारे समाज की रीढ़ की हड्डी के समान हैं। नैतिकता ही वह आधार है, जिस पर एक मजबूत और संवेदनशील समाज की नींव रखी जाती है।

कार्यशाला में विद्यार्थियों ने नैतिक कहानियों के श्रवण, प्रश्नोत्तरी, समूह चर्चाओं एवं रचनात्मक गतिविधियों में उत्साहपूर्वक भाग लिया। कहानी सुनने की गतिविधि में विद्यार्थियों ने न केवल गहराई से विचार किया, बल्कि उन मूल्यों को अपने दृष्टिकोण में अपनाने की बात भी कही।

इसके अतिरिक्त, विद्यार्थियों ने समसामयिक घटनाओं के आधार पर नैतिक दृष्टिकोण से विश्लेषण प्रस्तुत किया, जिससे उनकी आलोचनात्मक सोच और आत्ममंथन की क्षमता का विकास हुआ। इस कार्यशाला ने न केवल उन्हें अच्छे नागरिक बनने की दिशा में प्रेरित किया, बल्कि उनके भीतर करुणा, ईमानदारी, और जिम्मेदारी जैसे नैतिक गुणों को भी सशक्त किया।

Math-O-Mania

Ganga International School, Sawda, recently organized an engaging and enriching workshop titled Math-O-Mania for the students of the Primary Wing. The session was conducted by Ms. Anju Jain, who brought mathematics to life through a wide range of fun-filled and interactive activities. The workshop aimed to eliminate math phobia and encourage a love for numbers among young learners. Students actively participated in hands-on activities like number puzzles, shape-sorting games, abacus practice, measurement experiments, and creative math-based art. The use of real-life objects and games made concepts like addition, subtraction, patterns, and fractions not only easy to understand but also enjoyable to learn. Math-O-Mania proved to be a vibrant platform where learning met play, leaving students more confident, curious, and excited about the world of mathematics.

RUBRIK'S

Cube Competition

A Rubik's Cube Competition was organised at Ganga International School, Sawda, as an engaging inter-house event for the middle section students. The competition saw enthusiastic participation from all houses, with students eager to showcase their speed and accuracy in solving the cube within a limited time. This time-bound challenge not only sparked excitement but also significantly enhanced various skills among students. It promoted mathematical thinking, as students applied concepts of patterns and sequences while aligning the cube. Additionally, the event boosted problem-solving abilities, concentration, spatial awareness, and strategic planning. The competition created an energetic and intellectually stimulating environment, encouraging students to think critically under pressure. Winners were awarded certificates, and all participants were appreciated for their efforts and determination.

EARTH *Day*

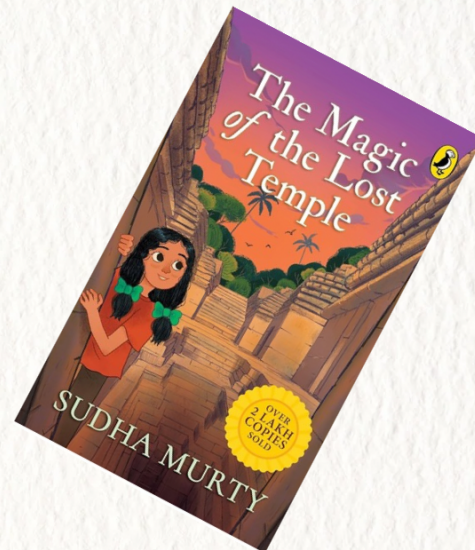

On Earth Day, Ganga International School, Sawda, came alive with a spirited celebration that began with a special assembly in the school auditorium. The morning opened with the customary prayer. A talented group of students then performed a short skit illustrating the effects of pollution and the power of community action, which drew enthusiastic applause. This was followed by a moving recitation of an original Earth Day poem by our senior students, whose words reminded everyone of their duty to protect the planet. Throughout the day, classrooms buzzed with hands-on activities: the primary section created colorful "Save the Earth" posters, middle schoolers penned thought-provoking slogans, and senior students took part in a sapling-planting drive in the school courtyard. In addition, a quick quiz on environmental facts tested and reinforced students' growing awareness. The day concluded with a collective pledge, as every student vowed to adopt at least one earth-friendly habit—making this Earth Day both educational and deeply inspiring for the entire Ganga International School family.
