Principal's Desk

As the year comes to a close and a new one begins, this is a wonderful time to reflect on our journey and look ahead with hope and determination. The past months have been filled with learning, achievements and meaningful experiences that have contributed to the holistic development of our students. I commend our learners for their hard work, discipline and enthusiastic participation in academics, sports and co-curricular activities.

December reminds us to pause, express gratitude and cherish the support of our teachers, parents and the entire school community. As winter vacations offer time for rest and rejuvenation, I encourage students to engage in reading, creative pursuits and activities that nurture both mind and body.

January ushers in a fresh beginning with new goals and renewed energy. It is an opportunity for every student to move forward with positivity, confidence and a commitment to excellence. As we celebrate the spirit of unity and patriotism, let us also remember our responsibilities as responsible citizens and compassionate individuals.

May the New Year bring success, good health, happiness and countless opportunities for growth to all. Together, let us continue striving to make our school a place of inspiration, learning and values.

Warm regards,
Principal

CHRISTMAS DAY

The Christmas and New Year celebration at Ganga International School, Sawda was held with great enthusiasm and festive spirit. The school campus was beautifully decorated with Christmas trees, bells, stars and colourful New Year décor, creating a joyful and vibrant atmosphere. Children welcomed the New Year with cheerful greetings and a spirit of hope and positivity.

Such celebrations play an important role in the holistic development of children as they promote joy, creativity and emotional bonding. They help students learn important values like love, kindness, sharing and brotherhood while also encouraging social interaction, cultural awareness and optimism for the future.

The event concluded on a cheerful note, leaving everyone with warm memories and a renewed sense of togetherness and happiness for the year ahead.

BASANT PANCHAMI

The Basant Panchami celebration at Ganga International School, Sawda was conducted with great devotion and enthusiasm. The school premises were adorned with yellow decorations symbolising prosperity, energy and the arrival of spring. A special puja was performed to seek the blessings of Goddess Saraswati, the deity of knowledge, wisdom and learning. The atmosphere was filled with spirituality and reverence as prayers and devotional songs were offered.

Little children added charm to the celebration by dressing up and enacting as Saraswati Mata, creating a divine and heartwarming scene. Such celebrations help students connect with their cultural heritage while nurturing respect for traditions and values. They also encourage confidence, participation and a sense of belonging among young learners. The celebration concluded on a peaceful and joyful note, leaving everyone inspired to pursue knowledge and goodness.

Republic DAY

The Republic Day celebration at Ganga International School, Sawda was observed with great patriotism and dignity. The day was uniquely celebrated both in school and at home, where students participated along with their parents, making it a meaningful and memorable occasion. The programme in school began with the unfurling of the National Flag followed by the singing of the National Anthem, creating an atmosphere filled with pride and respect for the nation.

Teachers spoke about the importance of Republic Day, the Constitution of India and the duties of responsible citizens. Students listened attentively and reflected on the sacrifices of the freedom fighters who made our freedom possible. At home, students celebrated the day with their parents by hoisting the flag, singing patriotic songs and engaging in creative activities such as making tricolour crafts and posters. They also shared photographs and videos of their home celebrations with the school.

The celebration concluded with a message encouraging students to uphold national values and contribute positively to the country. The day successfully instilled a strong sense of patriotism, unity and respect for the nation among students and their families.

Model - Making Competition

Students of Ganga International School, Sawda enthusiastically participated in the Inter-Ganga Model Making Competition for Classes III to V. The competition provided a wonderful platform for young learners to showcase their creativity, innovation and scientific thinking through beautifully designed models.

Our students displayed remarkable teamwork and imagination while presenting their model, explaining its concept with confidence and clarity. Their hard work, dedication and originality were highly appreciated by the judges as well as the audience. Competing with participants from other branches, the students demonstrated excellent problem-solving skills and presentation abilities.

With their outstanding performance, the school proudly secured the Second Position in the competition. This achievement filled the students and teachers with immense pride and joy. The event proved to be a valuable learning experience, encouraging students to explore new ideas, develop practical skills and build self-confidence.

Class III- Second Position
Class IV- Second Position
Class V- Second Position

MATHEMATICS Week

Mathematics Week was enthusiastically celebrated at Ganga International School, Sawda for students of the Primary, Middle and Senior wings. The week aimed to promote logical thinking, problem-solving skills and a positive attitude towards Mathematics through engaging and enjoyable activities.

A variety of activities were organized for different classes according to their age levels. Primary students participated in fun games, number activities, puzzles and hands-on tasks that helped them develop basic mathematical concepts in an enjoyable manner. Middle school students engaged in quizzes, problem-solving challenges, mathematical puzzles and group activities that enhanced their analytical thinking and teamwork. Senior students took part in advanced quizzes, reasoning challenges and real-life application-based tasks that deepened their understanding of mathematical concepts.

Students showed great enthusiasm and actively participated throughout the week. The activities not only strengthened their computational skills but also helped them appreciate the practical importance of Mathematics in daily life. Teachers guided and encouraged the students, making the learning experience interactive and meaningful.

The celebration of Mathematics Week successfully made the subject more interesting and enjoyable for students across all classes, fostering curiosity, confidence and a spirit of healthy competition.

SKILL EXPO

Srijan Ki Udaan

Ganga International School, Sawda organized a vibrant Skill Expo titled **Srijan Ki Udaan**, which resembled a lively carnival filled with creativity, learning and excitement. The event showcased numerous stalls put up by students displaying products handmade in school such as candles, soaps, bracelets, decorated plates, paper soap, scrunchies and many other innovative items. Through this initiative, students not only demonstrated their creativity and entrepreneurial spirit but also learned valuable life skills including teamwork, planning and financial awareness. Most importantly, they gained confidence by interacting directly with customers, explaining their products and handling sales independently.

The carnival atmosphere made the event even more enjoyable. Along with the exhibition stalls, there were fun games, delicious food counters, exciting rides and a tattoo corner which attracted enthusiastic participation from students and visitors alike. Srijan Ki Udaan proved to be a wonderful blend of learning and entertainment, providing students with hands-on experience and encouraging skill development beyond the classroom. The event was a grand success and left everyone with joyful memories and a sense of accomplishment.
