Principal's Desk

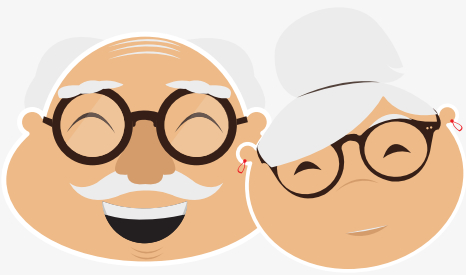

As we reach the culmination of another enriching academic session, I extend my heartfelt appreciation to our students, teachers, and parents for their unwavering dedication and support throughout the year.

This session has been a journey of growth, learning, and achievement. Our students have not only excelled academically but have also actively participated in co-curricular activities, exhibitions, and various school events that have contributed to their holistic development. It has been truly inspiring to witness their enthusiasm, creativity, and resilience. To our parents, I express sincere gratitude for your constant encouragement and trust in the school. Your cooperation has played a vital role in the success of our initiatives.

As we move forward, let us carry the lessons learned and the values instilled into the coming academic year with renewed energy and determination. I wish all our students a refreshing break and encourage them to return with a spirit of curiosity and readiness to embrace new challenges.

Wishing everyone success, happiness, and continued growth.

HAPPY
GRANDPARENTS
DAY

GRANDPARENT'S DAY

Grandparents' Day was celebrated with great warmth and enthusiasm at Ganga International School, Sawda, on 7th February. The event commenced with a delightful cultural programme, where students showcased their talents through vibrant performances, expressing their love and respect for their elders. The melodious songs, graceful dances, and heartfelt skits added a special charm to the occasion, leaving the audience deeply touched.

Following the cultural segment, grandparents and great-grandparents of the students were warmly invited to explore a thoughtfully organized exhibition. Each class presented subject-wise displays, reflecting the creativity, knowledge, and hard work of the children. The grandparents were guided through the exhibition, where students confidently explained their projects with great enthusiasm and pride. It was truly a heartwarming sight to witness the joy and admiration on the faces of the elders.

A special moment of the celebration was when two great-grandparents were honoured with a token of gratitude by the school. The tokens were graciously presented by the respected Principal Ma'am, Mrs. Prerana Chauhan, as a mark of appreciation and respect for their invaluable presence. The presence of grandparents added immense value to the celebration, making it a memorable and meaningful experience for everyone. The event beautifully reinforced the importance of family bonds, respect, and gratitude towards the older generation.

Exhibition DAY

Ganga International School, Sawda, celebrated Grandparents' Day with great enthusiasm and warmth, creating a memorable experience for both students and their beloved grandparents. The celebration featured a thoughtfully organized exhibition, where students showcased their creativity, knowledge, and hard work across various subjects.

Multiple classrooms were beautifully transformed into exhibition spaces, each dedicated to different themes and disciplines. Students proudly displayed their models, charts, and handmade projects, reflecting their learning and understanding. As grandparents visited each room, the students confidently presented and explained their work, making the experience interactive and engaging. Their excitement and dedication were evident as they shared insights into their projects with clarity and enthusiasm.

The presence of grandparents added a special charm to the event, as they appreciated the efforts of the students and encouraged them with their kind words. The exhibition not only highlighted the academic and creative abilities of the students but also strengthened the bond between generations. It was truly heartwarming to witness the joy, pride, and admiration shared during the event, making Grandparents' Day a grand success at the school.

EDUCATIONAL EXCURSION

An enriching and engaging educational outing was organized for the students of Classes I to V to the Traffic Training Park. The visit aimed to provide young learners with practical knowledge about road safety rules and responsible behavior on the streets.

The children enthusiastically explored the park, where they were introduced to various traffic signs, signals, and road markings in a real-life simulated environment. Through interactive demonstrations and guided activities, students learned the importance of following traffic rules, understanding pedestrian safety, and being responsible citizens.

The hands-on experience allowed the students to connect classroom learning with real-world situations, making the concepts more meaningful and memorable. Their curiosity and excitement were evident as they actively participated and asked thoughtful questions.

Overall, the visit was both informative and enjoyable, leaving a lasting impression on the young minds. It was indeed a successful initiative in nurturing awareness and discipline among students while making learning fun and experiential.

ANNUAL PTM

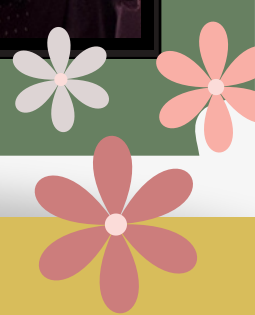

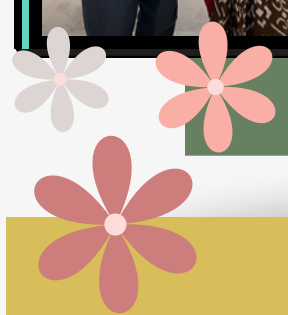

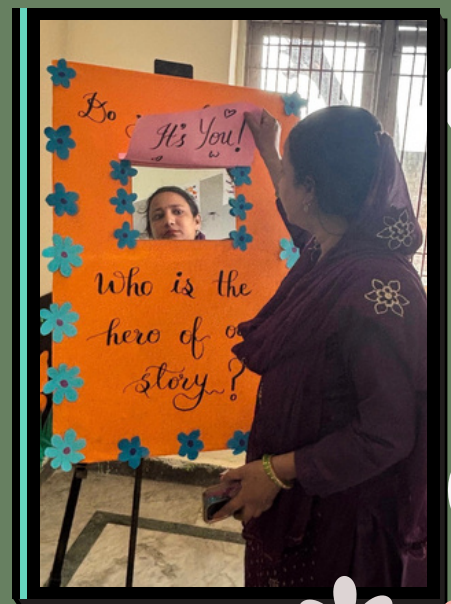

The Learning Alliance

The Annual Parent-Teacher Meeting (PTM) was successfully conducted at Ganga International School, Sawda, providing a valuable platform for meaningful interaction between parents and teachers. The primary focus of the meeting was to discuss the academic performance, overall progress, and development of the students.

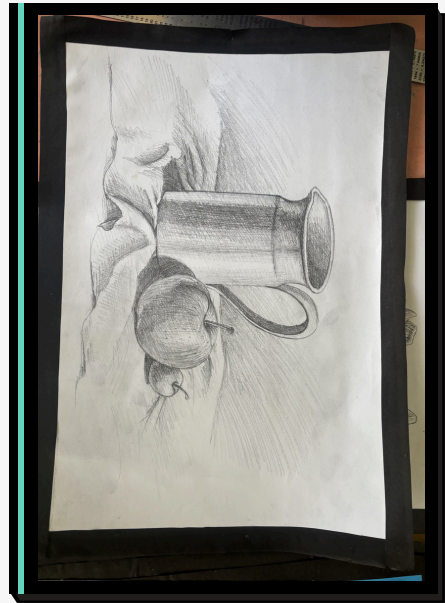

Teachers shared detailed insights into each student's strengths, areas of improvement, classroom behavior, and participation in co-curricular activities. Parents were encouraged to engage in open discussions, ask questions, and seek guidance to better support their children's learning at home.

The PTM witnessed enthusiastic participation from parents, reflecting their keen interest in their children's growth and education. The collaborative efforts of both teachers and parents created a positive and supportive environment for the students.

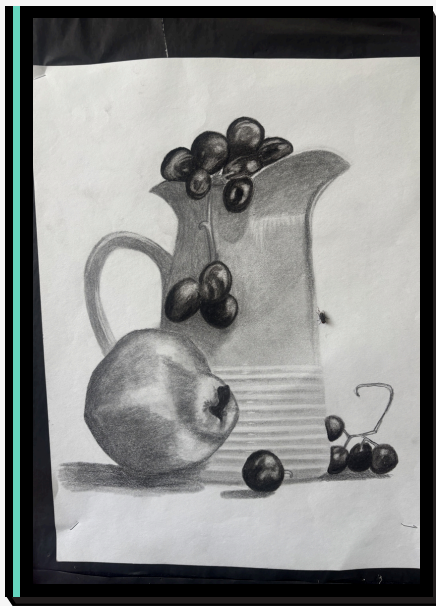

Overall, it was a productive and fulfilling day, strengthening the bond between the school and parents while ensuring the holistic development of every child.

Graduation DAY

The Convocation Day for our Kindergarten Section students was a heartwarming and memorable celebration, marking the successful completion of their early learning journey. The event was conducted with great enthusiasm, joy, and pride, showcasing the growth and development of our young learners throughout the academic year.

The ceremony began with a warm welcome to parents and guests, followed by a cheerful opening performance by the students. The children, dressed in adorable graduation attire, walked confidently on the stage, reflecting their newfound confidence and independence. It was a proud moment for both teachers and parents to witness their little ones achieving this important milestone.

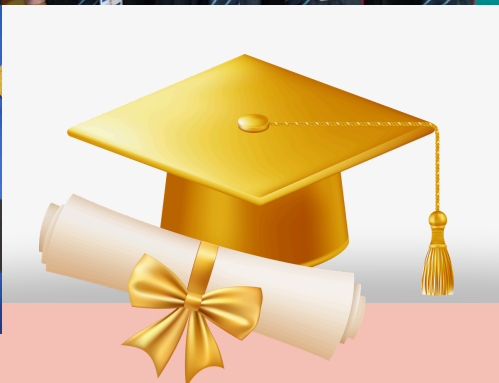

Throughout the year, the focus remained on holistic and vertical development of each child. The curriculum was thoughtfully designed to nurture not only academic readiness but also social, emotional, and creative skills. Playgroup students gradually adapted to a structured environment, learning to interact, share, and express themselves. LKG students further built on these foundations, showing remarkable improvement in communication, motor skills, and basic literacy and numeracy concepts.

Various activities such as storytelling, art and craft, music, dance, and hands-on learning experiences played a significant role in making learning enjoyable and meaningful. The children displayed curiosity, creativity, and enthusiasm in every activity, which was clearly visible during the convocation performances.

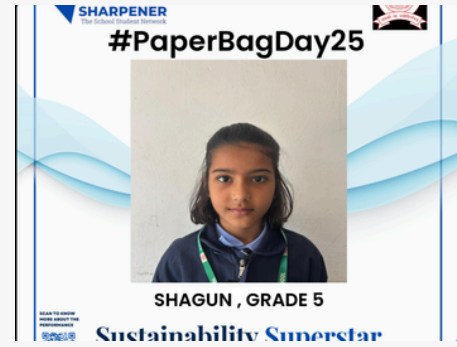

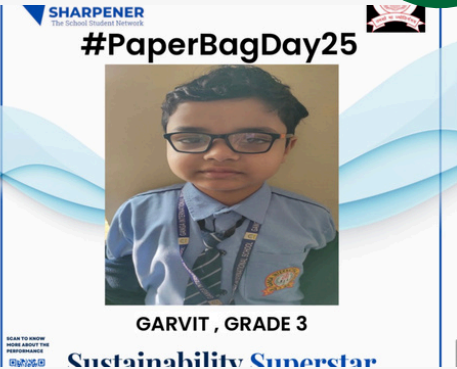

The highlight of the event was the distribution of certificates, where each child was recognized and appreciated. The smiles on their faces and the applause from parents created an atmosphere filled with pride and happiness.

The Convocation Day not only celebrated the achievements of the students but also reflected the dedication and efforts of the teachers in guiding them throughout the year. It marked the beginning of a new journey for the children as they step forward with confidence, ready to explore new learning experiences.

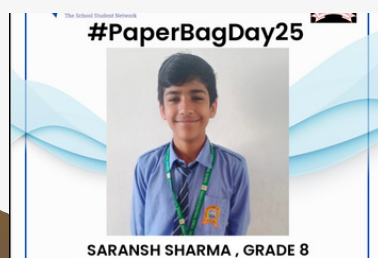

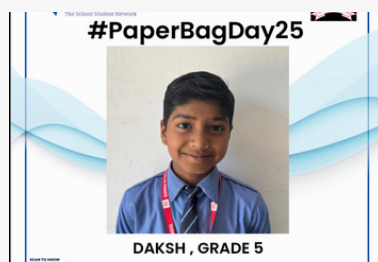

Overall, the event was a grand success, leaving behind beautiful memories for students, parents, and teachers alike.

Sustainability Heroes

GoSharpener is an innovative digital platform that encourages students to become responsible global citizens by actively engaging in sustainability-focused activities. At Ganga International School, Sawda, students enthusiastically participate in a wide range of hands-on tasks such as preparing healthy meals, creating eco-friendly alternatives like paper bags, and contributing to environmental awareness initiatives. These activities not only enhance their practical knowledge but also instill a deeper understanding of sustainable living and its importance in today's world. The platform allows students to document their efforts by building a personalized digital portfolio, reflecting their commitment towards a greener future. We are proud to share that many of our students have been recognized and awarded for their outstanding participation and achievements on this platform. GoSharpener thus serves as a meaningful step towards nurturing environmentally conscious, skilled, and proactive learners.

$$\sqrt[n]{a^m} = \sqrt[n]{a^m} = a^{\frac{m}{n}} \quad (\sqrt[n]{a})^m = \sqrt[n]{a^m} = a^{\frac{m}{n}} \quad (\sqrt[n]{a})^m = \sqrt[n]{a^m} = a^{\frac{m}{n}}$$

INITIATIVES FOR BRIGHT MINDS

Digital Platforms

Ganga International School, Sawda, continues to foster holistic student development through innovative initiatives such as Logiqids and GoSharpener. Logiqids is an engaging online platform that enhances students' logical reasoning and analytical thinking skills through a variety of interactive worksheets and activities. It also conducts examinations twice a year, where students have the opportunity to showcase their abilities and earn recognition through awards. Complementing this, GoSharpener focuses on promoting sustainability and responsible living among students. Through this platform, students participate in diverse eco-friendly activities such as preparing healthy salads, making paper bags, and undertaking projects related to environmental conservation. As they complete these tasks, students build their digital sustainability portfolios and earn rewards that contribute positively to their future academic journeys. These initiatives not only make learning interactive and meaningful but also help students develop essential life skills, environmental awareness, and a sense of responsibility towards society.
