SUMMER VACATION HOLIDAY HOMEWORK

Class 2

Dear
Parents,

Assignments
are not meant to
burden families –
they are designed to
inspire young minds.

HANDS-ON LEARNING

A poster, a model, or a hands-on activity may appear straightforward, yet for a child, it transforms into a **powerful** opportunity to **discover through experience**.

Concepts that seem abstract in textbooks come alive when students engage with them through creation and exploration.

LEARN TOGETHER

DISCOVER • CREATE • GROW

When children engage genuinely in these activities — guided lovingly by parents — learning transforms into something far more **meaningful, imaginative, and enduring**. ♥

Our aim is never to measure flawlessness — it is always to nurture **genuine effort** and **deeper comprehension**. ♥

Thanking You, ♥

Ganga International School, Sawda

— TEAM GIS SAWDA —

General Instructions

Dear Parents,

This thoughtfully curated holiday homework has been designed to keep your child meaningfully engaged, intellectually stimulated, and closely connected with nature throughout the vacation. The activities provided are a balanced blend of academic enrichment, creative exploration, life skills, and character-building experiences aimed at fostering overall growth and development. We warmly encourage parents to actively support, guide, and participate in these learning experiences alongside their children. All completed tasks should be carefully documented through photographs, written observations, creative samples, or activity records and submitted upon reopening of the school. These enriching activities will play a significant role in nurturing the holistic development of your child while ensuring that learning remains joyful, purposeful, and memorable.

Happy learning and happy holidays! 

1. Shlokas

- ◆ Learn and recite 5 shlokas – speak them aloud daily and write them in a notebook.

2. Tables Recitation

- ◆ Practise tables 2–20 every day: first speak them aloud, then write them in a notebook.

3. Moral Values

- ◆ Practise one moral value each day (kindness, honesty, gratitude, respect) and write a short reflection in a diary.

4. Grow & Adopt a Plant

- ◆ Plant a seed or sapling, water it daily, and maintain a photo diary of its growth through the holidays.

5. Create a Bird Nest

- ◆ Watch a YouTube tutorial and create a bird nest using natural materials; place it in a safe spot for birds to use.

6. Water Pots for Birds

- ◆ Place a shallow water pot on your terrace daily; observe which birds visit and click photographs as a field record.

7. Herbarium File

- ◆ Collect 8–10 leaves or plant specimens, press and dry them, then mount and label each one in a file.

8. Microgreens & Sprouts

- ◆ Grow microgreens at home, include them in your diet, and write a short note on what you learned about their nutritional value.

9. Yoga Ritual

- ◆ Practise yoga for 15–20 minutes every morning and maintain a daily yoga log.

10. Positive Affirmations

Students are encouraged to include the following affirmations in their morning routine:

- I am always happy.
- I am calm and stable in every situation.
- My memory and concentration are excellent.
- I eat healthy food; my body is perfect and disease-free.
- I use gadgets only for studying.
- I respect everyone. I respect nature.

Wishing you a joyful, green, and purposeful holiday! 🌻
